

## Seniors Exit Survey Gives Thumbs Up To TCTC

Each year, the Trumbull Career & Technical Center provides LifeTrack Services a demographic list of senior class members. The company follows up by sending a survey for the students to return. LifeTrack compiles the aggregate information that is forwarded to school administration.

Dr. Karen Johnson, Director, said the results of the survey play a small part in the total improvement plan. Additionally, it provides feedback from stakeholders as required for Perkins Educational Funding. 380 students received surveys and 278 responded. Anyone wishing to obtain a copy of the complete survey should contact Dr. Karen Johnson at 330 847 0503 ext. 1036.

Here is a summary of pertinent information obtained from the Senior Exit Survey for the class of 2009. Percentages may not equal 100% because students could mark multiple responses.
