Communication regarding the AFJROTC After –School Program should be made with your Home School Guidance Counselor or by contacting: Lieutenant Colonel John Miller @ TCTC 330-847-0503 ext 1302 or by email at john.miller@neomin.org.

Attendance Policy

The course will meet on Thursday evenings during the school year at 3:00 PM until 5:30 PM. There are also opportunities for field trips and weekend competitions. However these additional activities are not mandatory. The AFJROTC After-School Program is designed to introduce 9th and 10th graders to Aerospace Science, leadership Education and Drill. Class. The course is offered on a “Pass” or “Fail” basis.

Student Discipline Policy

It is the expectation that the students coming to TCTC for the AFJROTC class want to be in this class to learn and will behave in accordance with the TCTC student handbook. The students should cooperate with their instructors and interactive positively with their classmates. A severe or major offense as defined by the handbook results in automatic withdrawal from the class. Three minor offenses would also result in an automatic withdrawal from the program with no credit given. The TCTC handbook will be enforced.

I understand the policies established for discipline and attendance for the AFJROTC After-School Program at TCTC.
